If our students have a friend to fish with when they get home they are more likely to build upon their excitement for fly fishing. This helps us to reach our educational goals of inspiring future generations of fly fishing conservationists. Therefore we encourage participants to sign up with friends by offering a 5% discount for both participants. However to help build group dynamics we do not allow more than two pairs of friends per trip. If you would like to sign up with a friend we suggest you sign up as early as possible. If you are signing up with a friend please write his or her name below.

I have read **HOW TO ENROLL** found under the enroll now tab at www.lillardflyfishing.com

I understand that after applying all students must complete an enrollment packet. In our review of this information we screen for students with significant mental and physical health issues, or discipline issues. During this review we reserve the right to refuse acceptance to any students we feel are not a strong fit for our program. In these cases all deposits paid to Lillard Fly Fishing Expeditions will be returned in full.

I have read and understand the Payments & Refunds Policy: A Deposit of \$500 is enclosed with this application. Full payment is due on May 1st. For applications received after April, 15 full payment is due 30 days from your confirmation phone call, and before the start of your child's trip. If space on your preferred Adventure Academy or dates is not available, your deposit will be returned in full.

- If upon review of enrollment forms, Lillard Fly Fishing Expeditions concludes we are not the appropriate fit for you child, your deposit will be returned in full.
- If, at any point in the admissions process we determine that you have provided incomplete, misleading or false statements, we will withdraw the offer of admission and no refund of any payments to Lillard Fly Fishing Expeditions will be made.
- If you withdraw your child before May 1st (notice of the withdrawal must be made in writing), \$250 of the deposit is refundable.
- If you withdraw your child after May 1st, there are no refunds for any reason whatsoever (including, but not limited to: voluntary withdrawal, illness or injury, summer school, or any other reason).
- If your child leaves a program after it starts, there are no refunds for any reason whatsoever, including, but not limited to: voluntary withdrawal, illness or injury, dismissal by Lillard Fly Fishing Expeditions (due to discipline, behavior, lack of fitness or motivation, etc.), or any other reason. Any costs incurred by Lillard Fly Fishing Expeditions related to an early departure are the sole responsibility of the parents.
